

Atoms Class Preparation

Before class starts, you will need the following items near you.

Items in kit	Items not in kit
6 red, 6 blue, 6 green beads	perfume or any spray with fragrance
ball of clay	2 clear cups
12" string	blue or green food coloring
atom information card	water
24" & 17" wires	colored pencils
6" white pipe cleaner	25 coins or large dried beans
plastic bowl	periodic table (print from website)
2 bingo cards	piece of foil
safety goggles	scissors

Preparation Instructions:

1. Gather all the items listed above and put them where you will be sitting for the class.
2. Print the periodic table of elements from my website (<http://www.handsonsciencefun.com/chem-videosworksheets.html>).
3. Put the red/blue/green beads, pipe cleaner, and string in the plastic bowl.
4. Put about $\frac{1}{2}$ c. water in a clear cup.
5. Put pennies or large dried beans in a cup.
