

Magnetism Class Supplies and Lab Setup

Before class starts, you will need the following items near you.

Items in Kit	Items not in kit
3 ring magnets	wood/chopstick stand assembled in previous class
1 paper clip with 12" clear thread	clear scotch tape (non-invisible tape is best, but any clear tape will work)
3"x3" black construction paper	empty food jar with metal lid/no label that your child's hand will fit in., minimum jar height of 4" and up about 7", wide mouth pint or quart canning jar will work
	pencil or pen
2"x 2" white paper	worksheet (print from website)
2' cash register paper	scissors
1 paperclip	bar magnet or any magnets you have around the house (optional)
1/8 tsp. iron filings in plastic bag	calculator

Preparation Instructions:

1. Gather all the items listed above and put them where you will be sitting for the class.
